*ESL Support

Where a student requires intensive out of class support for English to access the curriculum GIC will offer a one-to-one teaching programme in small groups.

**Learning Support

The above Learning Support plans do not cover the cost of a full-time 1:1 classroom assistant or aide. In the event that a student is determined to require a full-time assistant or aide, neither GIC tuition nor the above plans will cover this cost. Students requiring a full-time aide will assume the full cost of this support, but will not be required to pay additional fees for Learning Support as described above. While the sourcing of a full-time assistant is the responsibility of the parent, GIC may provide support in this effort and ultimately reserves the right to approve the placement of the support personnel.

** Senior

GIC will be billing individually to cover the specific exams that each student chooses to take. The invoice will be sent in March, after a student's specific exams for that year are confirmed. The exams fees range from Rs 10,000 – 50,000 per exam. There is also a per-student school registration cost of Rs 25,000

Other fees for elective courses, specialist equipments, Field Trips are additional to this and will be communicated from time to time.
