The final stage of our accreditation was an assessment conducted on Wednesday, 13th May 2015, at the Galle International College (GIC) by certified Cambridge staff from Colombo. During the detailed Cambridge inspection, the Cambridge assessor positively stated that the Galle International College (GIC) had a fantastic approach to teaching. Moreover, the Cambridge assessor specified that the Galle International College (GIC) learning environment was far superior even to most of the large, heavily-funded international schools in Colombo.
